On behalf of the Connecticut Society of Oral and Maxillofacial Surgeons, I am pleased to invite you to our 2025 Spring Symposium. You and your surgical teams will benefit from an exciting day of learning and connecting with colleagues from across New England and beyond. There will also be opportunity to meet with industry partners showcasing a variety of practice solutions in our exhibit hall. To reserve your spot, register online today at www.ctoms.org. If you have any questions, please call (860) 349-1471.

CONTINUING EDUCATION

After the meeting, you will receive an email with a link to a short online evaluation form. This evaluation will help us plan future meetings to meet the needs and interests of our attendees, while evaluating the success of this program. You will be able to download your CE certificate following completion of the survey.

This course meets the criteria for qualifying continuing education credits per the Connecticut Dental License continuing education requirement; however, the Connecticut Society of Oral and Maxillofacial Surgeons is not a nationally accredited continuing education provider. Completion of this course does not constitute authorization for the attendee to perform any services that he or she is not legally authorized to perform, and does not attest to a specific skill, specialty or advanced educational status.

ABOUT THE SPEAKER:

Dr. Manolis Manolakakis

Dr. Manolis G. Manolakakis, DMD, FACS, is a dual board-certified Oral Maxillofacial Surgeon and Facial Cosmetic Surgeon and the director at Advanced Facial Surgery in NYC and NJ. Dr. Manolakakis received his doctorate of dental medicine from UMDNJ-NJDS, now known as Rutgers Dental School. He then completed a 4 year program in OMS at Nassau University Medical Center.

After completing residency, Dr. Manolakakis continued his training in facial cosmetic surgery and completed a fellowship in facial cosmetic surgery with Dr. John E. Griffin, Jr.

Dr. Manolakakis' practice is focused on surgical and non-surgical facial rejuvenation procedures as well as the integration of energy based devices to enhance aesthetic outcomes. He is also the director of an accredited facial cosmetic surgery fellowship at RWJ/Barnabas-Monmouth Medical Center.

He has lectured nationally and internationally, and has authorized articles and chapters on cosmetic surgery.
